

René Dubacher

René Dubacher is Senior Portfolio Manager at AgaNola.

René Dubacher has over 20 years experience in portfolio management, manager selection, product development and institutional marketing.

He is a quantitative portfolio manager with a successful track record for long/short and long only equity portfolios. René was a Senior Portfolio Manager at Mathematica Capital Management (San Francisco (USA) & Zug (Switzerland)), co-manager of the global market neutral equity portfolios and lead-manager for Global, European, and Swiss enhanced equity products. From 1998 to 2002 he headed the Institutional Business and Zurich Scudder Investments in Zurich.

He holds a PhD in finance from St. Gallen University Switzerland and earned a Master in Economics at the University of Berne, Switzerland.
